IN RE: Application of Carl's Inc. d/b/a)	ORDER REQUIRING
Apartment Movers, Etc., 5101 Ashley)	INFORMATION TO BE
Phosphate Road, Suite 104, North)	MADE AVAILABLE
Charleston, SC 29418, to Amend Class)	FOR INSPECTION
E Certificate of Public Convenience)	AND/OR COPYING
and Necessity No. 9668.)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of Anthony P. Cook, President of Dale J. Cook Moving and Storage, Inc., for relief from responding to a Request for Production filed by Carl's Inc. d/b/a Apartment Movers, Etc., the Applicant herein ("Applicant"). Dale J. Cook Moving and Storage is an Intervenor in the instant proceeding concerning the Applicant's application to amend its Class E Certificate of Public Convenience and Necessity.

By his request for relief, Mr. Cook states that Request for Production No. 2-1 requests "copies of all time keeping records and daily worksheets used to prepare ... employee time summaries for 1995 and 1996." As a basis for requesting relief from responding to Request for Production 2-1, Mr. Cook states that the request is "particularly burdensome as it would require production of over 2700 photocopies."

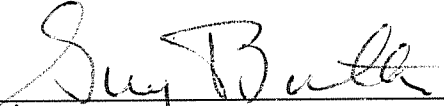

Upon consideration of this matter, the Commission is aware of the expense and burden that would befall Mr. Cook if the Commission required him to produce the copies necessary to respond

to Request for Production 2-1. However, the Commission also recognizes the basis for the Applicant's request of the information. While the Commission believes that it would be unfair to place the expense upon Mr. Cook to reproduce such a quantity of photocopies, the Commission also believes that the information sought by Request for Production 2-1 should be made available to the Applicant and the Applicant's attorneys. Therefore, the Commission grants the request for relief in so far as Mr. Cook shall not be required to reproduce or photocopy the information requested by Request for Production 2-1, but the Commission orders that Mr. Cook shall make available for inspection and copying by the Applicant and the Applicant's attorneys the information requested by Request for Production 2-1. Furthermore, costs associated with copying shall be borne by the Applicant or the attorneys for the Applicant.

This Order shall remain in full force and effect until further Order of the Commission.

IT IS SO ORDERED.
